Complete Industrial Solutions One Trusted Name

ABOUT OUR COMPANY

TRADE LINK ARABIA CO. is a trusted supplier and service provider specializing in industrial, mechanical, construction, material handling, valves, and civil–electrical solutions. We cater to a wide range of industries including oil & gas, construction, infrastructure, manufacturing, utilities, and industrial maintenance.

With a comprehensive product portfolio covering safety & industrial supplies, mechanical & piping materials, construction materials, material handling equipment, valves & flow control products, and civil, structural & electrical services, we position ourselves as a one-stop solution provider for project requirements of all scales.

At TRADE LINK ARABIA CO., we are committed to building long-term partnerships by delivering reliable solutions that enhance productivity, safety, and operational efficiency for our clients.

SAFETY MATERIALS

We supply a comprehensive range of certified safety materials designed to protect personnel and ensure compliance with industry safety standards. Our products support safe operations across construction, industrial, and infrastructure environments.

Safety Vest

Disposable Coverall

Respirator

Safety Helmets

Safety Barrier

Safety Goggles

Staff Shoes

Cotton Dotted Gloves

Rubber Cotton Gloves

Eye Wash Station

Spill Kit

Carabiner

Leather Gloves

Cotton Gloves

Worker Safety Shoes

Safety Coverall

Fire Extinguisher

Ear Muff

Face Shield

Welding Helmet

HAND TOOLS

We offer a wide range of durable and precision-engineered hand tools designed for reliability and efficiency. Our tools support safe and accurate work across industrial, mechanical, and construction applications.

Spanners

Shovel

Wrenches

Nose Pliers

Pickaxe

Wooden Saw

Trowel

Hacksaw

Adjustable Wrench

Scraper

Crow Bar

Paint Brush

Wire Cutter

Chisels

Tester

Sledge Hammer

Screwdrivers

Carpenter Hammer

Allen Keys

Cutting Plier

POWER TOOLS

We supply high-performance power tools designed for durability, precision, and productivity. Our range supports demanding industrial, construction, and maintenance applications with reliable results.

Rotary Hammer

Battery Drill Machine

Drill Machine

Blowing Machine

Grinding Machine

Angle Polisher

Metal Cutting Machine

Wood Cutting Machine

Impact Wrench

Pencil Grinder

Reciprocating Saw

Jack Hammer

Hammer Drill

Circular Saw

Heat Gun

Belt Sander

Table Saw

Electric Planer

Sander

Cordless Jigsaw

WELDING MATERIALS

We provide high-quality welding materials engineered for strong, reliable, and durable joints. Our products support safe and efficient welding operations across industrial, fabrication, and construction projects.

Welding Machines

Welding Clamps

Gas Nozzle

Face Shield

Filler Wires

Fire Blankets

Chipping Hammer

Flash Arrestors

Tungsten Rods

Cutting Sets

Contact Tip

Cylinder Trolley

Welding Torches

Welding Electrodes

Gas Regulators

Welding Positioners

Ground Clamps

Welding Cables

Welding Aprons

Gas Diffuser

LIFTING ITEMS

We supply reliable lifting items designed for safe handling and efficient movement of heavy loads. Our products meet industry safety standards and support construction, industrial, and material handling operations.

Lever Hoists

Slings

Winches

Trolleys

Jacks

Chain Block / Chain Hoist

Lifting Wire Rope (Sling)

Lifting Belt

Cranes

Hoists

Eye Bolts

Dollies

Spreaders

Grabs

Blocks

Load Binders

Pulleys

Chains

Hooks

Shackles

ELECTRICAL MATERIALS

We supply reliable electrical materials designed to ensure safety, efficiency, and consistent performance. Our products support industrial, construction, and infrastructure electrical applications in compliance with industry standards.

Switches

Steel Flexible Conduit

EMT Conduit

Cables

Sockets

Threaded Conduit

Weatherproof Box

Wires

Square Drawn Box

Top Beam Clamp

Malleable Iron

Watertight Hub

Reducing Bushing

90 Deg Elbow

Male Enlarger

Pull Corner Elbow

Screw Coupling

Insulated Bushing

Screw Connector

Compressor Connector

PIPES & FITTINGS

We supply high-quality pipes and fittings engineered for strength, durability, and leak-free performance. Our products support industrial, mechanical, and infrastructure piping systems across various applications.

Galvanized

Seamless

Stainless

Alloy Steel Pipes

ERW

Tees

PPR

Reducers

Adapters

Elbows

Unions

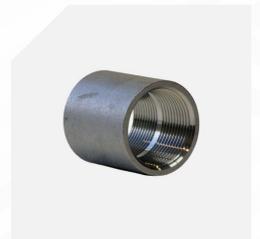

Flanges

Valves

Bushings

Couplings

PVC

Carbon

CPVC

Copper Pipes

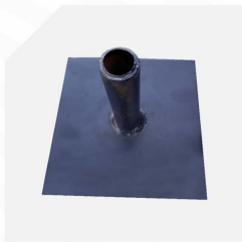

HDPE

SCAFFOLDING

We supply robust scaffolding systems designed to ensure safe access and structural stability at work sites. Our solutions support construction, maintenance, and industrial operations while meeting safety standards.

Universal Clamp

Base Plate

Pressed Ladder Clamp

Girder Coupler

Pressed Joint Pin

Board Retaining Clamp

Swivel Coupler

Sleeve Coupler

Double Coupler

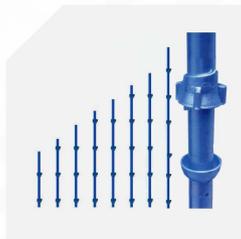

Single Coupler

Water Stopper

Adjustable Fork Head

Cuplock Standards

Waller Plate

Toe Board Clamp

Adjustable Base Jack

Universal Jack

Aluminium Ladder

Tie Rod Bar

Plywood

BOLTS & NUTS

We supply high-strength bolts and nuts designed for secure fastening and long-lasting performance. Our products meet industrial and construction standards for reliability and safety.

U-bolts

Studs

T-Bolts

J-bolts

Flange

Cap

Coupling

Machine Screws

Washers

Dome

Hexnuts

Wingnuts

Shoulder Bolts

Locknuts

L-bolts

Eye

Carriage

Square Bolts

Anchor

Hexbolts

PVC FITTINGS

We supply high-quality PVC fittings designed for durability, corrosion resistance, and reliable performance. Our products are suitable for plumbing, drainage, and industrial piping applications.

Male Adapters

Bushings

Elbows

Adapters

Unions

Nipples

Female Adapters

Valves

Union Ball Valves

End Caps

FLANGES

We provides high-quality flanges for secure and durable piping connections. Designed for strength and precision, our flanges meet industry standards, ensuring reliability in demanding applications.

Threaded Flange

Socket Weld Flanges

Lap Joint Flanges

Slip On Flanges

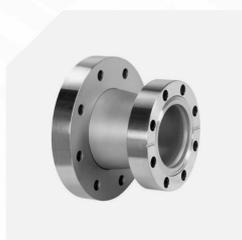

Blind Flanges

Weld Neck Flanges

Swivel Ring Flange

Reducing Flange

Elbow Flange

Weldo Flange

MEASURING EQUIPMENT

We supply accurate and reliable measuring equipment designed for precision and consistency. Our products support quality control, inspection, and technical applications across industrial and construction sectors.

Vibration Calibrator

Digital Manifold

Dry Block Calibrator

Environment Meter

Battery Tester

FENCING ITEMS & RACKING SYSTEM

We supply durable fencing items and efficient racking systems designed for safety, organization, and space optimization. Our solutions support industrial, commercial, and warehouse applications.

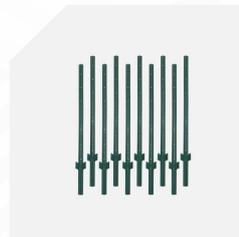

Wires

Palisade Fencing

Chain Link Fence

Posts

Handrails

CONSUMABLES

We supply a wide range of high-quality consumables essential for daily industrial and construction operations. Our products ensure consistent performance, efficiency, and reliable support for ongoing work requirements.

Coolants

Cutting Disk

Paints

Oils

Buffing Wheel

CIVIL CONSTRUCTION

We provide comprehensive civil construction services for infrastructure, industrial, and commercial projects. Our expertise covers planning, execution, and supervision, with a strong focus on quality workmanship, safety compliance, and timely project delivery.

Our Core Services:

- ◆ Land Development
- ◆ Temporary Facilities
- ◆ Earthworks
- ◆ Reinforced Concrete Works
- ◆ Asphalt Road Works
- ◆ Interior Fit-out Works

ELECTRICAL WORKS

We deliver comprehensive electrical works for industrial, commercial, and infrastructure projects. Our services include installation, testing, and maintenance, ensuring safe operations, system reliability, and compliance with applicable electrical standards.

Our Services Include:

- ◆ LV & MV Cable Laying and Termination
- ◆ Industrial Wiring & Panel Board Installation
- ◆ Power Distribution & Control Systems
- ◆ Lighting and Low-Current Systems
- ◆ Generator, UPS & Backup Power Systems
- ◆ Testing, Commissioning & Maintenance
